

LODGING INFORMATION

For the Reunion, special rates have been established at a variety of facilities within easy driving distances of various reunion functions. (Missoula Fairgrounds, University of Montana, etc.) Please note that some rates do not include the 7% bed tax.

Make your reservations between now and May 15, 2004. Most Western Montana lodging is booked in the summer, and also note that the summer of 2004 is the bicentennial of the Lewis and Clark Expedition. Inform the motel or RV Park that you are attending the National Smokejumper Reunion.

The following are motels in Missoula with NSA rates and rooms blocked for our 2004 reunion:
